

**UNIFIED INDOOR TACTICAL  
RECON ROBOTIC SYSTEM**

# **CATALOG 2024**

For over a decade, Sky-Hero is an innovator at the forefront of cutting-edge indoor tactical recon robotics for global law enforcement and military units for over a decade.

Within the trusted umbrella of AXON Public Safety Company, Sky-Hero stands as a beacon of quality, innovation, and safety, recognized worldwide for its pioneering advancements. Operating from bases in Belgium and Lithuania, we tirelessly cater to the dynamic demands of our esteemed end-users.

At the core of AXON and Sky-Hero lies an unwavering dedication to excellence. Our commitment manifests through technological prowess, extensive R&D, top-notch manufacturing, and strategic market influence, shaping industries and setting new standards.

Customer satisfaction is our paramount responsibility. Our commitment to delivering nothing short of the best products is embedded in everything we do, ensuring your needs are not just met but exceeded.

Explore our comprehensive catalogue showcasing exclusive AXON/Sky-Hero product packages available for purchase through AXON Sales and our global distribution network at [sky-hero.com/distributor](https://sky-hero.com/distributor).
